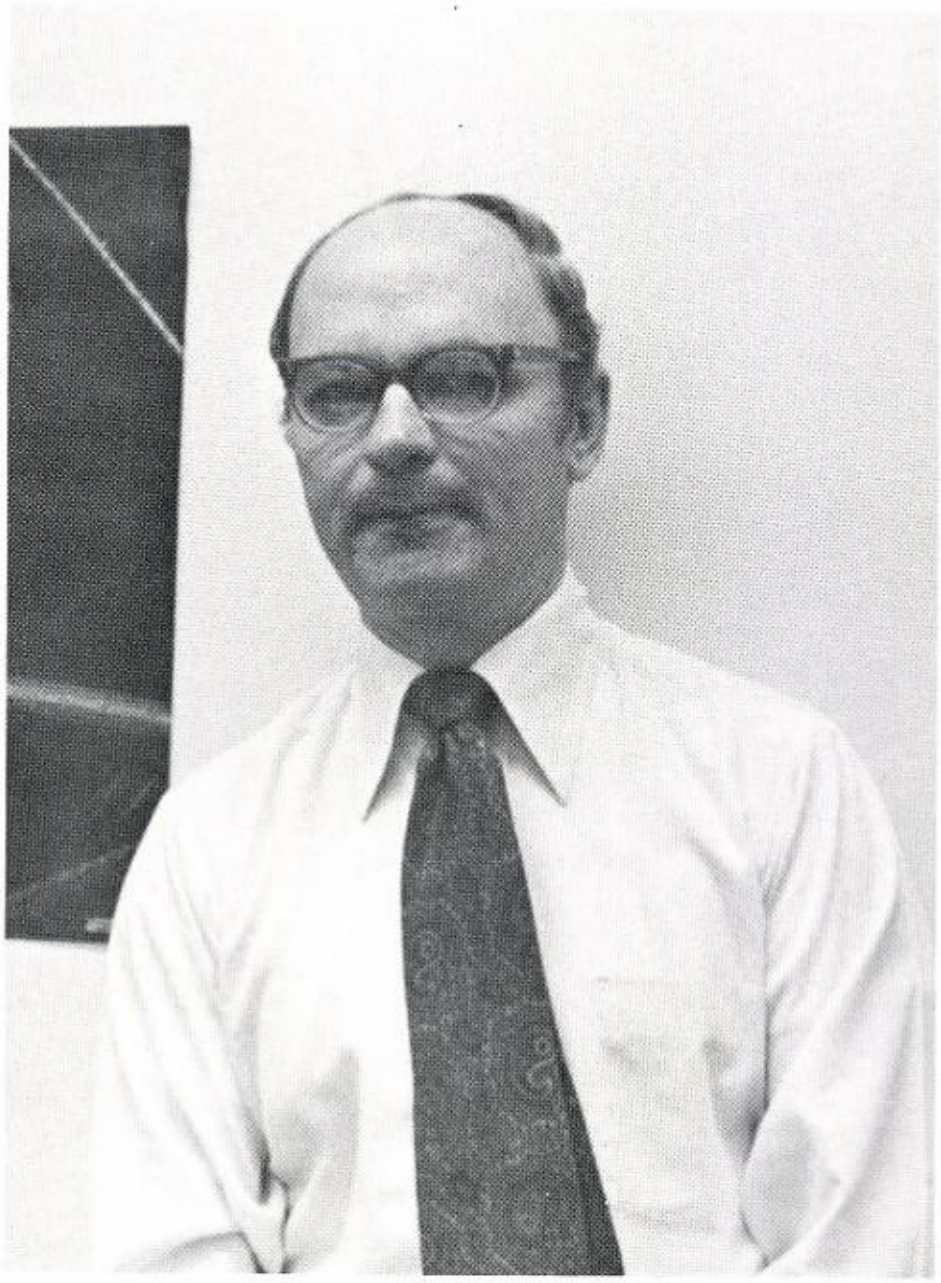
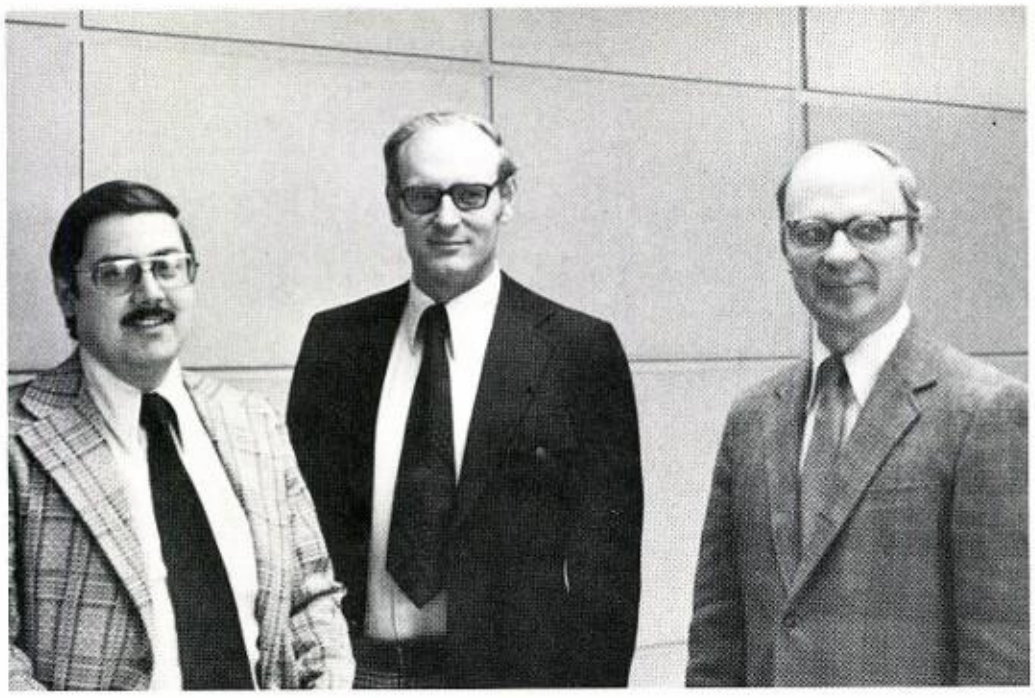
dedication

As Seniors, the time has come to take our leave of Starpoint. As this is our last goodbye, we would like to thank everyone who helped us complete our earliest goal — to graduate. It is only appropriate that we should dedicate our yearbook to someone who has dedicated so much to us. The administration, the teachers, the counselors, and the secretaries all fit into this category, but there is one man who stands out, one who must receive our special thanks. And so it is with much gratitude and love that we dedicate "Independence '76" to Mr. Harold B. Smith.





when through
one man a little more
love and goodness,
a little more light and
truth comes into
the world, then that man's
life has had meaning.

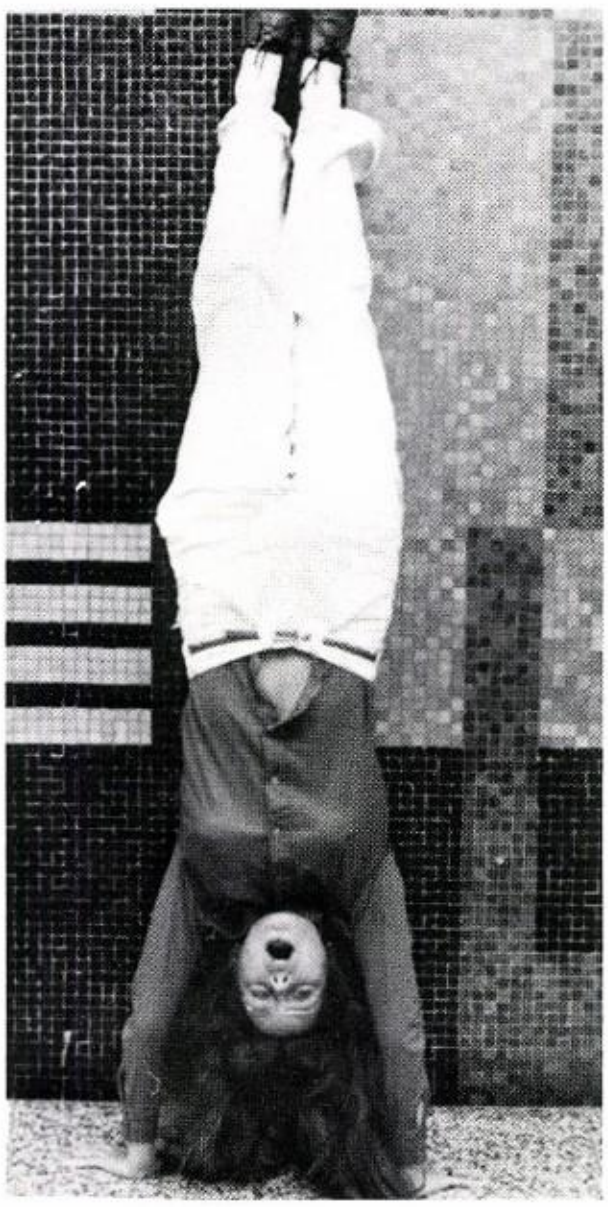
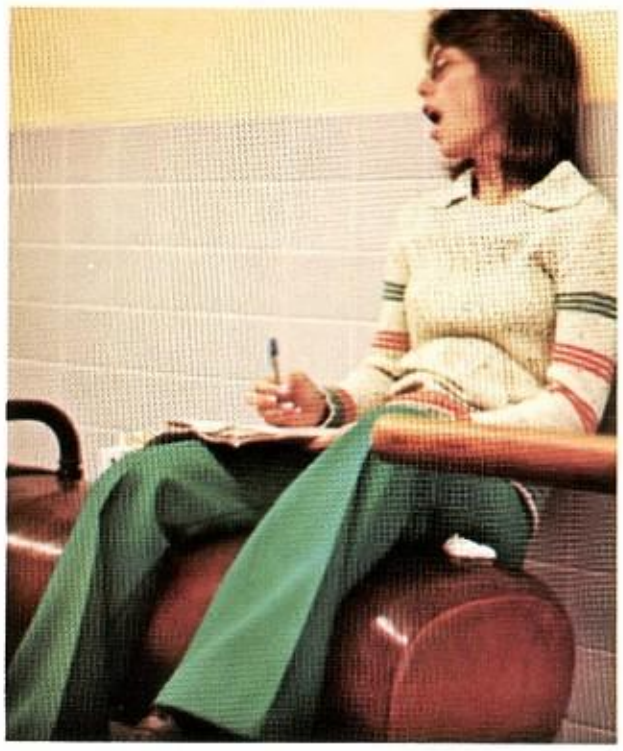
we hold these truths to be self-evident: that all men are created equal; that they are endowed by their creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness.

t. jefferson, declaration of independence





there is a time to be with someone
without holding back
or clinging too hard,
willing to walk along wherever,
hardly able to wait for the next sentence,
asking for sound advice
without being embarrassed,
looking ahead without saying so,
being glad without thinking about it,
remembering and laughing . . .

such is freedom
that through it we love places and seasons;
for as bright bodies emit rays to a distance,
and flowers drop their sweet leaves upon the ground,
so freedom imparts favor even to the places where
it dwells.
with freedom even poverty is pleasant.
words cannot express the joy which freedom im-
parts.
they can only know what has experienced that joy.
freedom is dearer than the lights of heaven,
for it would be better that the sun were extinguished
than
we should be without freedom.

As the longest period of permanence we will probably ever know comes to a close, it may seem to the people remaining at Starpoint that just another Senior Class is leaving, but to us it is so much more. Starpoint is an Empire, and our reign is ending. Living during one of the more controversial periods in history, we've seen it all. We've had budgets barely pass, and tests we didn't pass at all, bomb scares, regents stolen, and quick successions of administration. We've had open hostility between the classes, and teachers and friends die. Most recently we've watched a major parking lot crisis, a crippling strike, and the crowning of the homecoming queen, all firsts in S.C.S. history. And through it all, we've had the usual male-female relationships blossom and die under the first official statement condemning such behavior. The years are far from wasted, for in between this all, we've learned the area of a triangle — ½bh, the U.S. entered W.W.II on December 8, 1941, and avogadro's number. It is with bitter-sweet memories that we will look back upon this. It helped us learn to accept change because there is no other way to achieve progress, and with all the progress left to go, we will be thankful for S.C.S.'s help. For in the end, it will be us against the world . . .

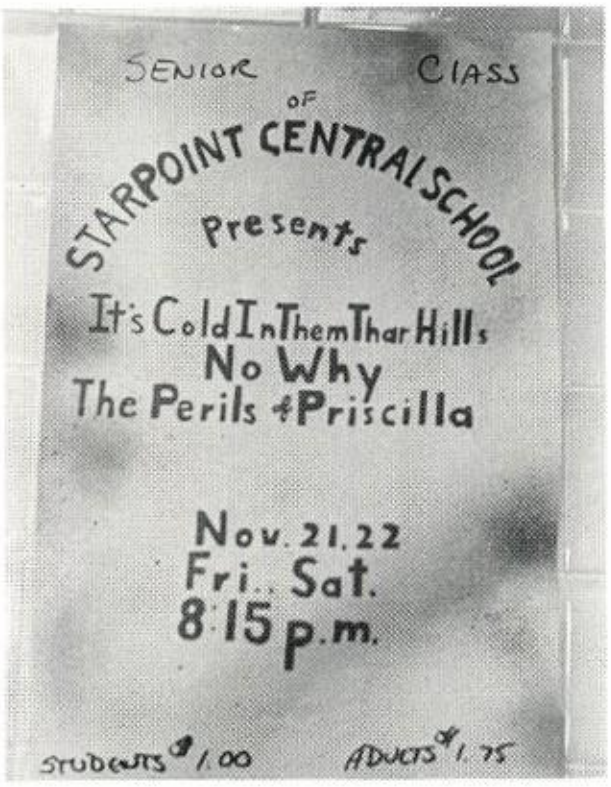
senior plays



This year's Senior Class departed from tradition and presented three one act plays in November. The director was Mr. Carl Wager, and he was assisted by student director, Murray Mumau. The evening began with an unusual, tense drama, "No Why", by John Whiting. It depicted a family and the ways in which family members and other unique relatives dealt with a discipline problem of their young son. The production then moved to a light melodrama, "The Perils of Priscilla", which is also known as "A Schoolmarm's Dilemma". This play was complete with a villian, hero, heroine, and appropriate "cheer" and "boo-hiss" cues for audience participation. "It's Cold In Them Thar Hills" neatly wrapped up the evening with a hilarious hillbilly rendition of a "shotgun wedding".

Congratulations are extended to the many who participated and helped make this an excellent presentation. The Senior Class and all of Starpoint are proud of you.

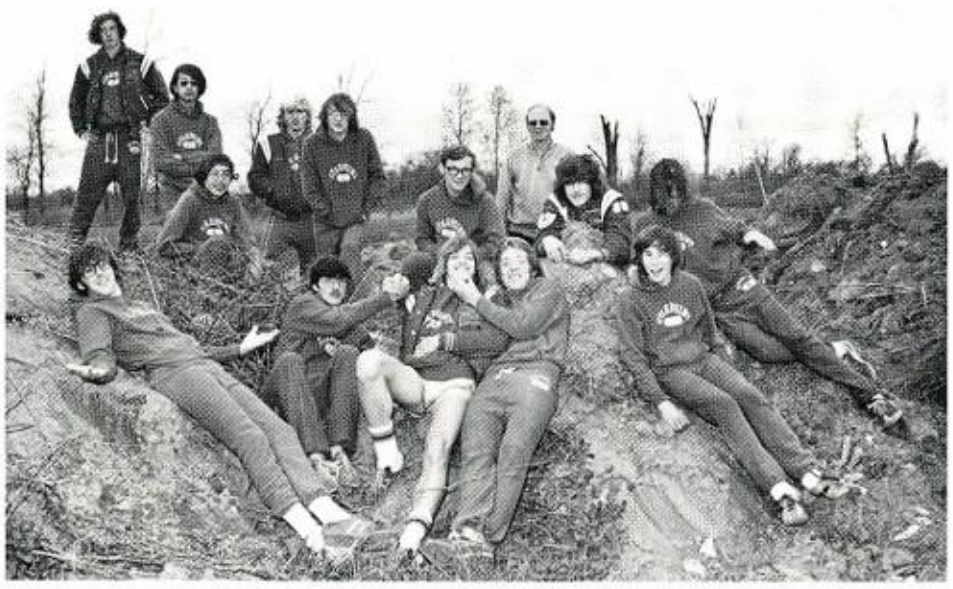
"b" team

row 1: benny smith, mark mangold, bruce cory. row 2: paul smith, john boulden, john cook.



this year's well rounded cross country team proved to be the most successful ever in starpoint's history.

the spartan harriers began their season with an explosive performance by sweeping the grand island invitational. the next two invitationals proved equally commendable. finishing second at mcquaid and first at williamsville expanded the team's trophy collection. by the end of the season the spartan's record was: 11–0 league meets, 14–0 dual meets, and an amazing 78–2 overall season record. the two slim defeats came from hilton and archrival, fredonia; the latter resulting in second place, section 6 for starpoint runners.

individual awards were plentiful as 11 members received varsity letters. co-captains geoff boulden and greg goodman received all-league honors finishing second and fifth respectively, followed by kevin scranton finishing eighth.

geoff also finished second in both sectional and stage class B.

congratulations to the finest team ever at starpoint.

varsity basketball 1975–76

our varsity basketball team finished in a tie for second place in the niagara-orleans league this season with a league record of 8 wins and 4 losses, and an over-all record of 13 wins and 7 defeats. we also finished second in the sweethome tournament, losing a tight 66–61 decision to a strong neumann team.

the team participated in the section 6 playoffs for the eighth straight year and advanced to the semi-finals before losing to the eventual champion, emerson vocational, from buffalo.

our most outstanding game was the quarter-final sectional game against alden. they won their league with a 16–2 record and was highly regarded. our boys put everything together and after building up a 32–16 halftime lead coasted to a 62–53 win.

the team was led by senior paul britten, who averaged 16.7 points and 10 rebounds per game; bill mckeown, who averaged 12.6 points and 4 steals per combat and russ davis, who averages 9 points per game. junior starters were jon holden, 10 points per game and brian graham. 9 points per game.

other members of the team were seniors mike hens, mike kramer and roland johnson, and juniors, bob honadle and joel taylor.

paul became the sixth leading scorer (660 points) and fourth leading rebounder (493) in our schools history and bill set a season record (83) and a career record (149) in steals. both of the boys were named to the niagara-orleans all league first team. paul also was honored by being named to the niagara falls gazette all area team for the second year.

jon, brian, and russ received all-league mention.

with four great juniors returning and some very promising sophomores coming up, the prospects for next year look very good.

winter track

winter track was started this year for the first time under the direction of mr. hobart and mr. regan. the purpose of winter track is to provide those cross country and track and field athletes with a chance to compete in indoor track during the winter months. those on the team had the opportunity to compete in four indoor track meets at the maston armory in buffalo on weekends. stiff competition from w.n.y.'s best track and field athletes kept starpoint's thinclads from doing as well as they would have liked, but the experience certainly helped them do much better in spring track.

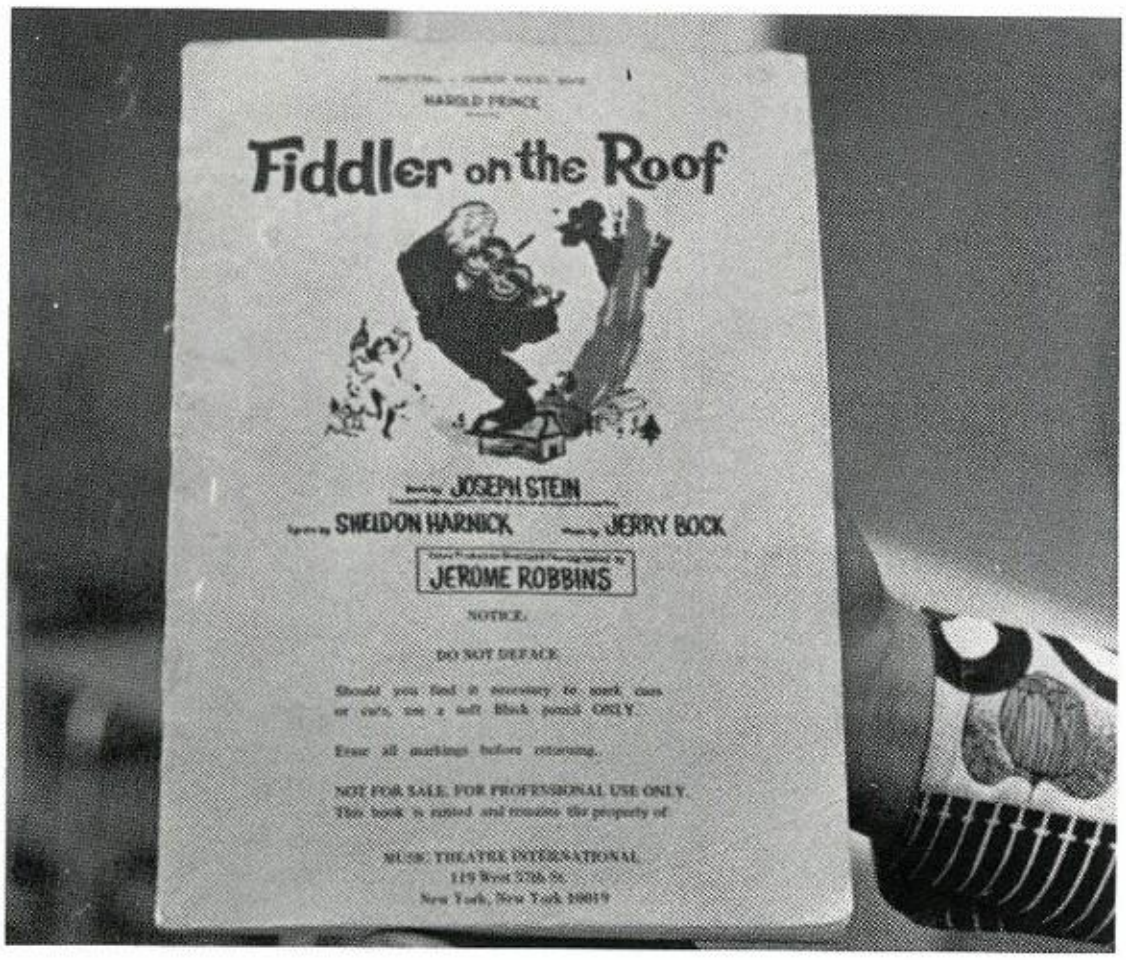
"fiddler on the roof"



this year starpoint ventured into a new style of production with the "fiddler on the roof". far from the giddy, fun-loving maidens of before, this production led audiences through moving dramatic realms as well. in his first acting performance, sam grottanelli ably portrayed the lead, tevye, the traditional jewish "papa" in the changing russian world of 1905. director carl wager, this year assisted by student steve olick, ably launched another success.
